Dear Henry:

Thank you very much for your kind comments concerning President-elect Kennedy's request that I continue on in my present position.

I am indeed pleased to learn from you about Bill Baily's performance, and I want you to know how much I appreciate your courtesy in bringing this to my personal attention. It is certainly gratifying to get your generous remarks and I might add that it was a pleasure for us to make him available to you on this particular occasion.

With kindest personal regards,

Sincerely,
